

**Technical Data:**

Material: Tinned copper wire with Nylon core

Working Temperature: -50°C-150°C

Standard Color: Tinned color

Cutting: Scissors

Certificate: ROHS

Packaging: Paper Reel

**Features:**

Excellent EMI Shielding

Flame Retardant

Easy to Install

Cut and Abrasion Resistant

Extremely Flexible and Lightweight

**Specifications:**

Part No.	Width (mm)	Applicable Range (mm)	Packing (M/R)	Picture
MX-CBP-006	6	3-9	500	
MX-CBP-008	8	5-12	300	
MX-CBP-010	10	7-15	300	
MX-CBP-012	12	8-18	300
