

## SM CAB INVAPUB3

	1. connector	2. connector																						
Connector Type	MOLEX 51021-1000	ACES 91209-01011																						
Crimp contacts	MOLEX 50058-8x00 – AWG28-32	-																						
Contact number	10	10																						
Cable	AWG32 (7x0,08), insulation 0,52 až 0,56 mm colour not defined																							
Length (mm)	230 mm																							
Note	<p>Wiring</p> <table border="1" style="margin-left: auto; margin-right: auto; border-collapse: collapse;"> <thead> <tr> <th style="text-align: center;">1. connector MOLEX 51021-1000</th> <th style="text-align: center;">2. connector ACES 91209-01011</th> </tr> </thead> <tbody> <tr><td style="text-align: center;">1</td><td style="text-align: center;">1</td></tr> <tr><td style="text-align: center;">2</td><td style="text-align: center;">2</td></tr> <tr><td style="text-align: center;">3</td><td style="text-align: center;">3</td></tr> <tr><td style="text-align: center;">4</td><td style="text-align: center;">4</td></tr> <tr><td style="text-align: center;">5</td><td style="text-align: center;">5</td></tr> <tr><td style="text-align: center;">6</td><td style="text-align: center;">6</td></tr> <tr><td style="text-align: center;">7</td><td style="text-align: center;">7</td></tr> <tr><td style="text-align: center;">8</td><td style="text-align: center;">8</td></tr> <tr><td style="text-align: center;">9</td><td style="text-align: center;">9</td></tr> <tr><td style="text-align: center;">10</td><td style="text-align: center;">10</td></tr> </tbody> </table> <p>Each wire is to be fixed to prevent release (vibration prevention), following picture</p> 		1. connector MOLEX 51021-1000	2. connector ACES 91209-01011	1	1	2	2	3	3	4	4	5	5	6	6	7	7	8	8	9	9	10	10
